

DUE DATES AND CERTIFICATES

"CSS Basics" is a self-paced course that do not follow a set schedule. All course materials are completely available as soon as the course begins. Assignments and exams do not have start or due dates other than the official end date of the course.

The course shows indicators for graded assignments, but **no due dates**.

There are exercises (or assignments) all over the course. It is **strongly suggested** that you complete the exercises as promptly as possible at the end of each module of the course.

PURCHASE THE COURSE'S VERIFIED CERTIFICATE

Once you have a passing score (70% or higher), a Web certificate will be automatically generated! It will be visible on the **Course** page, the **Progress** page, and also the dashboard, as soon as you become eligible for the verified certificate.

The deadline to buy a Verified Certificate is 31 August 2018 (at 23:59 UTC)

Any learner who gets a Verified Certificate for the CSS Basics course is eligible to join the W3Cx Verified LinkedIn Group where we share news about job offers, innovative Web technologies, etc. Join the growing community of W3Cx supporters!

RECEIVE A PROFESSIONAL PROGRAM CERTIFICATE

You will receive a certificate for the W3C "Front-End Web Developer" (FEWD) Professional Certificate automatically after you earn verified certificates for all the 5 individual courses in the program.
