

Remorse - is Memory - awake -  
Her Parties all astir -  
A Presence of Departed Acts -  
At window - and at Door -

It's Past - set down before the Soul  
And lighted with a match -  
Perusal - to facilitate -  
And help Belief to stretch -

Remorse is cureless - the Disease  
Not even God - can heal -  
For 'tis His institution - and  
The Adequate of Hell -
